Dear The President of Kamphaeng Phet Rajabhat University

I am writing to request your approval for Dr. Tayakorn Klomkaew as an honorary external research reviewer in evaluating the research instruments of Ms. Onwarin Charoendamongkiart, an M.A. student in the Career English for International Communication program at the Language Institute, Thammasat University. Ms. Charoendamongkiart has been working on her Independent Study under the supervision of Assistant Professor Monthon Kanokpermpoon, Ph.D. In recent months, she has been developing her research instruments necessary for her Independent Study entitled, "An Investigation of Conceptual Metaphor Selection Across News Elements in Online Health News: A Case Study of Nipah Virus Outbreak Representation." We believe that Dr. Klomkaew's experience will significantly assist Ms. Charoendamongkiart in revising and refining her instruments to ensure the collection of valid and reliable data.

If you have any questions or need further information, please feel free to contact Ms. Onwarin Charoendamongkiart via her e-mail at onwarin.brow51@gmail.com

I would very much appreciate your assistance on the matter.

Yours sincerely,
