Dear Apichaya Phadpin,

The editorial board of Science, Engineering and Health Studies has already received your reviewer report regarding the manuscript entitled “Performance of Vetiver Grass and Aeration on COD, Total Nitrogen and Total Phosphorus removal in Surface water of Chiang Mai Moat, Chiang Mai” and would like to express our gratitude for your time and contribution to be a reviewer for our journal.

After receiving the signed payment slip from you, we will proceed to pay your remuneration.

Sincerely yours,

(Professor Pornsak Sriamornsak, Ph.D.)

Editor-in-Chief of Science, Engineering and Health Studies
